## Course:

Programming Hero Web-Development Course.

understand AL-Quran Academy understand Quran Course.

Spoken (Full Course) – with The Mentors Tutorial.

Typing.com (Typing Course).

## Experience:
- At least 11 projects have completed in the programming hero web development course.
- and I have completed more projects from my programming skills.

## Language:

**Bangla** (Native or bilingual proficiency).

**Arabic** (Professional working proficiency)

**English** (Limited working proficiency).

**Hindi** (Professional working proficiency).

## Interests:
- **Being a good Muslim.**
- **Being the best programmer.**
- **Cricket,**
- **Travel,**
- **Football,**
